### Principal’s Message

Bridgeville School strives to provide a robust and comprehensive education for our students. We continue to offer small classes (average 13 students) with individualized instruction. In addition, we offer free breakfast, lunch and after-school snack programs. To meet the needs of all of our students, we continue to offer speech therapy, a Resource Specialist Program, a counseling program, an after-school program that is open until 6 pm., classroom aides, home-to-school transportation when available, a reading assessment and support program, many enrichment and arts activities, student council, a music program, athletic teams, an annual eighth-grade trip and a library program. We bring and use as many resources as we can help each student live up to his or her potential.

### School Mission Statement

Our mission is to teach students the academic, social and thinking skills necessary to become citizens who accept challenge, take responsibility for personal choices, and value themselves and others in a diverse world.

### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school’s progress, test scores and achievements.

### Bridgeville School Strategies

- We will maintain small class sizes
- We will build and promote a partnership with parents, students and community members
- We will nurture the character and self-esteem of each student
- We will develop a school community that celebrates diversity
- We will integrate creative arts into the curriculum
- We will support the school and Community Center partnership
- We will continue learning enthusiastically

### Parental Involvement

Bridgeville School encourages parent volunteers to help in the classroom and with other activities, such as field trips, Field Day, dances and the Curriculum Fair. Teachers and the administrator are always accessible to talk with parents regarding their child’s progress at school or any other parental concerns. We hold biannual parent-teacher conferences and monthly board of trustees meetings. Booster Club events happen throughout the year, and parent volunteers often work in the classrooms leading art and music sessions, sessions in the school garden, and volunteering in the after-school program. In addition, notes are sent home regularly to keep parents up-to-date on activities occurring at school.

For more information on how to become involved, please contact the school at (707) 777-3311.

### Governing Board

- Diana Bennett
- Brooke Entsminger
- Nick Glass
- Garrett Barnwell

### School Safety

A copy of the school safety plan is available in the office. Fire and evacuation drills are held monthly; earthquake and lockdown drills are held biannually.

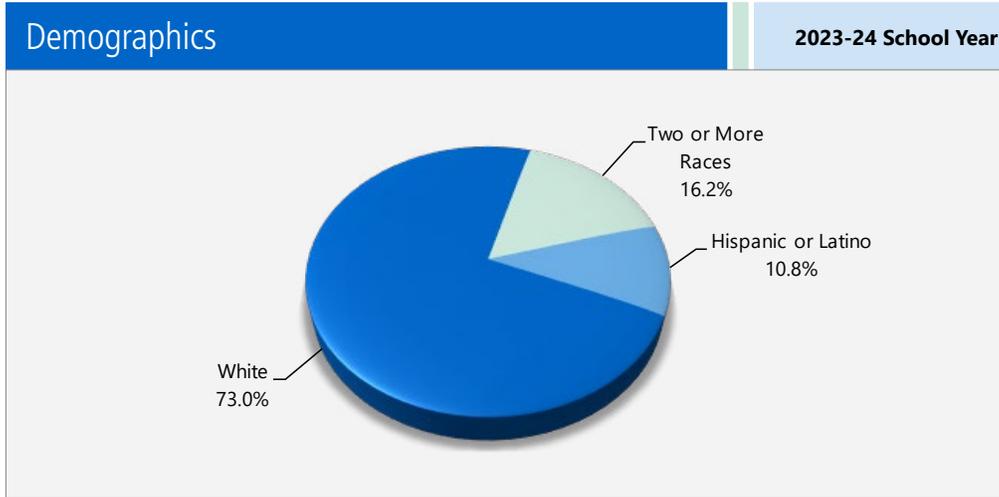

The school safety plan was last reviewed, updated and discussed with the school faculty in October 2024. Key elements of the plan include monthly safety drills and the Crisis Intervention Plan. The school Wellness Plan and Illness and Injury Prevention Plan are also reviewed and updated annually.

### Enrollment by Student Group

The total enrollment at the school was 37 students for the 2023-24 school year. The pie chart displays the percentage of students enrolled in each group.

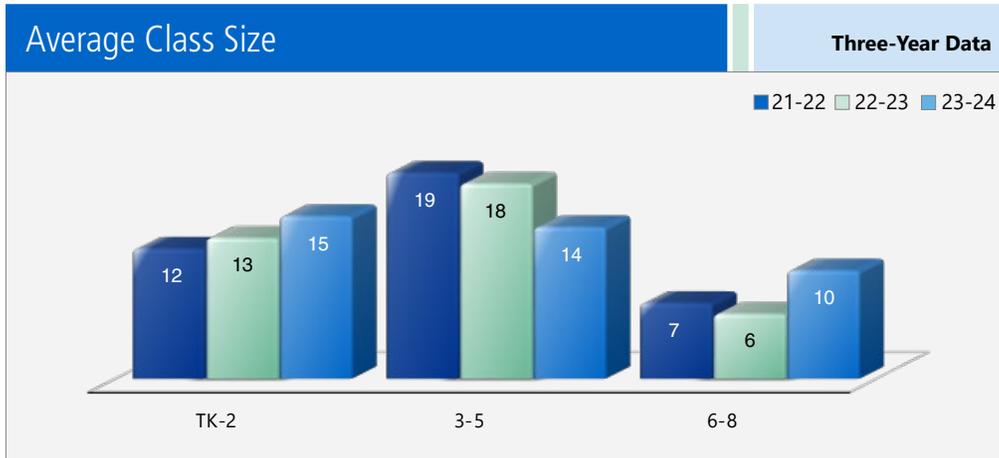

### Enrollment by Student Group

Demographics	
2023-24 School Year	
Female	40.50%
Male	59.50%
Non-Binary	0.00%

Socioeconomically Disadvantaged	67.60%
Students with Disabilities	13.50%

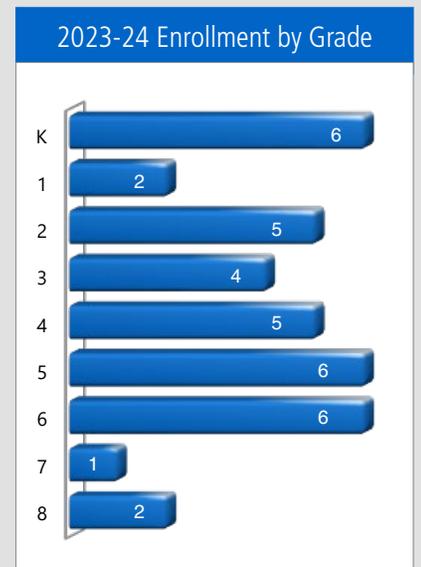

### Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2023-24 school year.

Grade	Number of Classrooms by Size

### Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively. Note: Students are only counted one time, regardless of the number of suspensions.

### Professional Development

Due to the small size of our school and the wide grade span (three classrooms with grades K-8), teachers are encouraged to develop professional development goals that will help them accelerate the learning of their students. To this end, the district provides an opportunity for five annual buyback days and covers the registration and mileage costs for teachers to attend local trainings offered by the Humboldt County Office of Education. Teachers attend trainings that will directly help them in their classroom and that are targeted at current student needs. Most recently, professional development focus has been on Common Core State Standards (CCSS) curriculum and instructional methods as well as classroom-management skills. The principal encourages teachers to partake in professional development opportunities and provides resources to implement the tools acquired in such professional development. We also have professional development opportunities and staff trainings provided on-site during our early release Wednesdays.

### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

### Types of Services Funded

The school offers interscholastic athletics; educational field trips which include transportation; special presentations (such as Chamber Readers, performances by Dell'Arte International, Storytellers, author visits and more); Science Fair participation; History Day participation; a daily after-school program until 6 p.m.; and drum lessons, guitar lessons, chorus, band, and enrichment music. A complete budget is available for inspection in the school office.

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

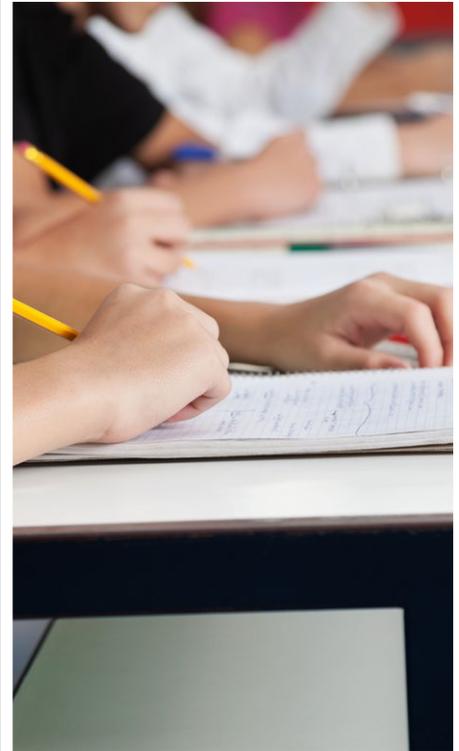

### Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

### CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

### CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

Mathematics	20%	5%	20%	5%	34%	35%

### CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

❖ Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Textbooks and Instructional Materials

The district was current in all textbook-adoption areas as of September 2024. Each pupil has access to his or her own copy of standards-aligned textbooks and instructional materials in the core curriculum areas of reading/language arts, mathematics, science and history/social science.

State-adopted Common Core State Standards-based instructional grade-appropriate materials in good condition are available to all students. Material sufficiency and quality are addressed at the beginning of each school year. Any needed materials are purchased in September of each school year.

All students have access to their own textbooks and instructional materials to use in class and to take home.

Textbooks and Instructional Materials List		2024-25 School Year
Subject	Textbook	Adopted
Reading/language arts	Houghton Mifflin Reading (K-2)	2016
Reading/language arts	Reach for Reading, National Geographic (3-5)	2016
Reading/language arts	The Language of Literature, McDougal Littell (6-8)	2016
Mathematics	Go Math!, Houghton Mifflin Harcourt (K-8)	2022
Science	Exploring Science, National Geographic/Cengage Learning (K-5)	2022
Science	Inspire, McGraw-Hill (6-8)	2022
History/social science	Impact, McGraw-Hill (K-8)	2022

### Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2024-25 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes	

### Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

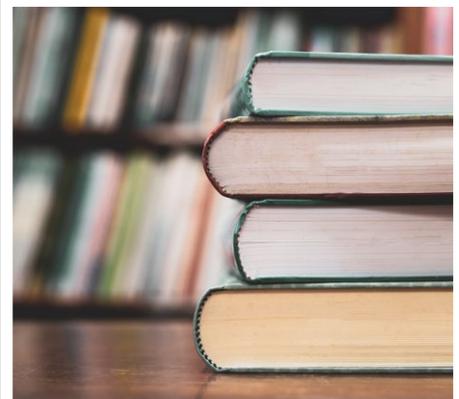

Percentage of Students Lacking Materials by Subject	
2024-25 School Year	
Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%

### School Facility Good Repair Status

The table shows the results of the school’s most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility’s good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2024-25 School Year
Items Inspected	Repair Status	
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)	Good	
<b>Cleanliness:</b> Pest/vermin control, overall cleanliness	Good	
<b>Electrical:</b> Electrical systems	Good	
<b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains	Good	
<b>Safety:</b> Fire safety, emergency systems, hazardous materials	Good	
<b>Structural:</b> Structural condition, roofs	Good	
<b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds	Good	
<b>Overall summary of facility conditions</b>	Good	
<b>Date of the most recent FIT report</b>	9/20/2024	

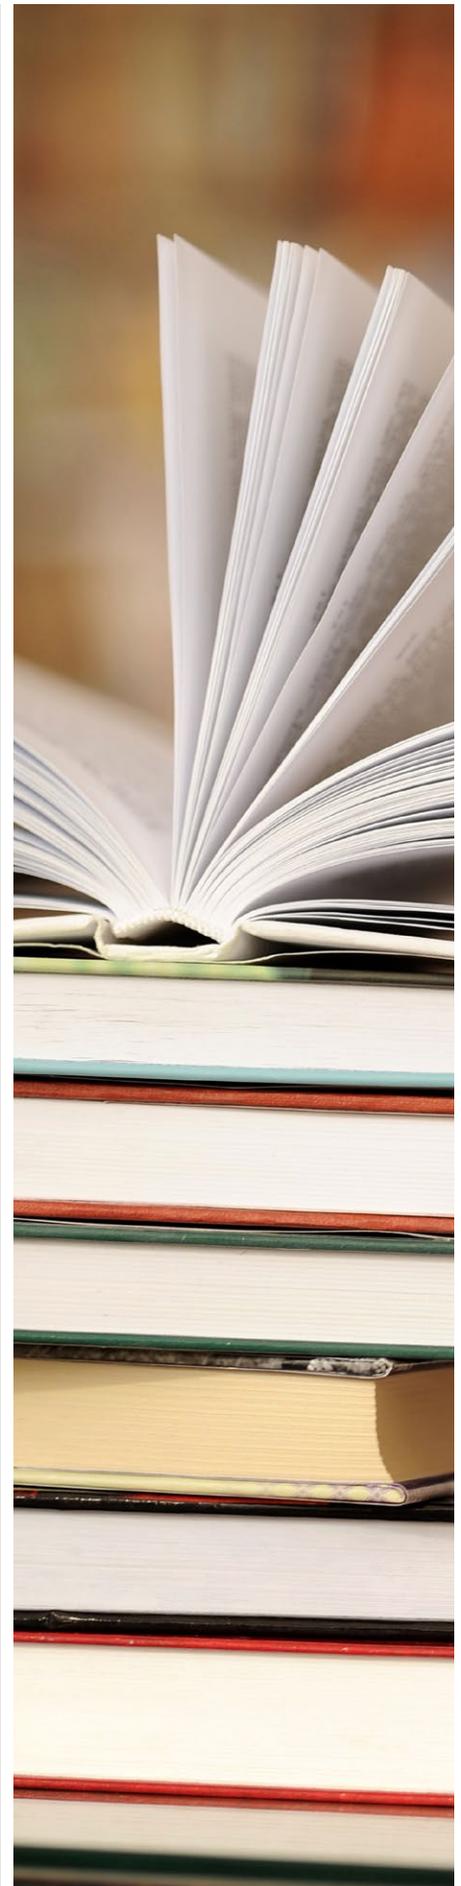

### School Facilities

Bridgeville School is a one-school district with eight classrooms, a gym/cafeteria, adjoining community center, library, music room, and an athletic field. The main building was built in 1984.

The school keeps students safe on school grounds before, during and after the school day by providing adequate monitoring of students during these times by school personnel and by providing an after-school program until 6 p.m. each evening.

The school buildings are relatively new and in good repair. The school grounds are in good condition. Our school custodian cleans the school each weekday evening.

The Williams case settlement specified Facility Inspection Tool (FIT) is used annually to assess the condition of school facilities.

*“Bridgeville School strives to provide a robust and comprehensive education for our students.”*

## Teacher Preparation and Placement

These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the number of authorization/assignments of teachers with permits and waivers; misassignments; and vacant positions. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.
